

Ewelina Matthew Hilton

A reclining armchair for a new generation that eschews the idea of formality. A generously proportioned design with an electric powered mechanism that articulates the chair into a reclining position.

Designer

Born in 1957, Matthew Hilton is a British designer who studied at Portsmouth College of Art and then at Kingston Polytechnic. He set up his own design studio/workshop in 1984, and has worked with clients such as De La Espada or SCP for whom he has become one of the most celebrated upholstery designers. His product development thrives on modern manufacturing combined with knowledge and hand skills.

Date of design
