

## Group Philippe Malouin

A collection of designs that use primary shapes in a concise way to form the base, back and seat of each piece. Designed to be both comfortable and tactile, and to work in an array of different settings, Group is a versatile design that was awarded the Design Guild Mark in 2018.

This collection comprises an upholstered cocktail chair, a formal and informal size armchair and sofa collection, and a bed. The cocktail and armchairs are available with either a fixed or swivel base.

The formal sofa and armchair have a slightly higher seat and back, with a narrower seat than the standard size.
