

Overlap

Terence Woodgate

A sofa system with interrelated parts that all work in close relation to each other. Ergonomically considered and generously proportioned, Overlap is a design suitable for a wide range of applications, both in a domestic setting, or in the workplace.

Overlap Terence Woodgate

Materials

Made at SCP's specialist upholstery factory in Norfolk, England, using entirely foam and fire-retardant free materials.

Frame: FSC plywood and FSC solid beech.

Upholstery: Elastic webbing, zig-zag springs, burlap, pocket springs, latex and coconut fibres, multi-density wool and recycled wool felt.

Designer

Terence Woodgate is a British designer. He initially trained as a design engineer, before retraining in the mid 1980's as a furniture designer at the London Guildhall University. He established his first design studio in London in 1988 and launched his own lighting brand in 2014. Terence Woodgate has become known for his elegant and modern approach to design, and has gone on working with clients such as Concord Lighting, "River", or Punt Mobles.
